**Guidance for downloading Google Chrome**

Please find instructions below to help you download Google Chrome. There are two separate sets of instructions depending on whether you are using a laptop/computer or a tablet/mobile phone. If you require any assistance, we are contactable via email (enutri@reading.ac.uk) and phone on 07971658745.

<table>
<tr><td colspan="3">STEPS FOR DOWNLOADING GOOGLE CHROME ON A COMPUTER/LAPTOP</td></tr>
<tr><td colspan="3">To download Google Chrome 🌐 for free onto your laptop/PC, click here: https://www.google.com/chrome/. If you are asked whether you would like to make Google Chrome your default web browser then please say YES. This means that when you click on the study links, they will open in Google Chrome rather than your regular, unsupported web browser. If you wish to change this back after the study, please let us know if you require assistance to do so.</td></tr>
<tr><td>For a 64-bit Windows device</td><td>Simply click on the button DOWNLOAD CHROME (see below for guidelines on checking which type of device you have).</td><td>Get more done with the new Chrome
Now more simple, secure, and faster than ever - with Google's smarts built-in.
Download Chrome
For Windows 10/8.1/8/7 64-bit.</td></tr>
<tr><td>For a 32-bit device or Mac</td><td>Scroll to the bottom left of the screen where you will find a list under CHROME FAMILY (see left image). Click on OTHER PLATFORMS and a box appears with different options (see right image). Choose the option that best matches your PC/laptop.</td><td>Chrome Family

Windows 10	Older Windows devices

STEPS FOR DOWNLOADING GOOGLE CHROME ON A TABLET/PHONE

STEP 1: First locate your devices app store.

On Apple devices this is called 'App Store' and looks like this:

On most android devices (e.g. Samsung and Google), this is called 'Google Play Store' and looks like this:

Alternatively, your device may have its own app store (e.g. Huawei).

STEP 2: Search for 'Google Chrome' in the app store and download it.
